## **Policy-set | a self-structured template (to verify)**

### **A| item tracked\one: 'Legend [1-6]' | the classification**

(.1-6.)

### **B| item tracked\two: 'Unified Libraries' (UL)**

(aux. parts included)

### **C| item tracked\three: 'Accounted Items' (AI)**

(pointed elements: 'QCC QCL LCL DCL')

### **D| item tracked\four: 'Mainworks'-controlled (Mw)**

(pointed elements with aux. folders of d'DIR)

### **E| item tracked\five: contributors' data collection (CDC)**

61: Options

as collection of relevant opportunities or validated methods

62: Alternatives

as common list of priorities within the Division |AM

63: ReadMe

as guide of strategies applied

64: DocS

as structured records of strategies applied

65: Overview

as summary of succeed flows

66: Actualities

to generate activity flows for contribution

## **F| item tracked\six: 'Curated Labour Activities' (CLA)**

a

## **G| item tracked\seven: 'netboxLIVE' (boxes; clients' portal)**

aa

## **H| item tracked\eight: 'dedicated instruments'**
