- Önfoglalkoztatást digitális környezetben támogató eszközök és eljárások bemutatása:
 - Network Resource Planning –NRP– folyamatainak rendezése
 - [|informatív oldal](#)
 - |gazdasági tevékenységet megvalósító keretrendszer
 - munkaszervezéshez
-'[labour_WORK-Lab](#)' of AM4ideaHu
 - tervezési folyamatok virtuális felületen rendezéséhez
-'[labour_OPEN-Lab](#)' of AM4ideaHu
 - [|bevezető: formális oldal](#)
 - |megosztott/publikus digitális erőforrások hasznosítása
 - társadalmi vállalkozások rendszerében működtetett szervezeti forma
 - komplett konstrukciók adaptálása a kulturális gazdaságfejlesztésben
 - közösségi önfenntartás K+F viszonyai
 - 'prosumer' koncepció minőségbiztosítási tárgyköre
 - [|előkészített tárgypontok](#)
 - |**program_1** –a gazdasági tevékenység oldaláról
 - a kezdeményezés műszaki aspektusainak a gyakorlatba illesztése
 - a kezdeményezés szervezeti aspektusainak a gyakorlatba illesztése
 - |**program_2** –a kulturális célú tevékenység oldaláról
 - a gyakorlati formulához tájékozódást és közérthetőséget biztosító funkció
 - a Kapcsolati- és Ismereti Bázis ('K.I.B.') [alapfunkciói](#)
 - munkakultúrával összefüggésben
 - munkatársi- és a szervezeti kultúrával összefüggésben
 - ideológiai- és a szellemi kultúrával összefüggésben
 - [|felvezetés: Kapcsolati- és Ismereti Bázis \('K.I.B'\)](#)
 - [|nyitóoldal: publikációk tipizálása](#)
 - szakmai tartalomból-jegyzetek
 - orientációs-jegyzetek
 - vélemény-jegyzetek
 - |előremutató kommunikációs útvonalak rendezése
 - **monológ** jellegű publikációs online területek
 - **dialóg** jellegű publikációs online felületek

- 'M|A|G|A|Z|I|N|E' –formational insights for professional & mediated audiences
 - a **communicational pathway emphasized to:**
 - Ensuring the visibility of adaptations
 - configurable documents within the bylaws
 - 'Co-De' as controlPaper within the code-of-conduct
 - _practices for digital self-determination
 - docs of declaration subject to legal utilities within the playbooks
 - 'Co-De' as policyPaper within the code-of-conduct
 - an **integrational pathway drive statements into cooperation simply via:**
 - 'Process Developer Cumulative Framework' RDF 1:D
 - _offering flexible entries
 - configurable documents within the bylaws
 - cooperative operating agreements within the bylaws
 - docs of declaration subject to legal utilities within the playbooks
 - docs of declaration subject to tech utilities within the playbooks
 - an **operational pathway attached to 'Program_1' to:**
 - Make the Program Office of DSI protocol
 - configurable documents within the bylaws
 - manifesto subject to managerial circumstances within the playbooks
 - manifesto subject to orientational circumstances within the playbooks
 - _develop and accounting a framework for networking
 - cooperative operating agreements within the bylaws
 - manifesto subject to managerial circumstances within the playbooks
 - 'repositories' (implemented via AM4ideaHu) within the code-of-conduct
 - an **operational pathway attached to 'Business-canvas' as a procedure to:**
 - Accounting to reach quality over quantity
 - 'Partnership Deed' (implemented via AM4ideaHu) within the code-of-conduct
 - _making business relations and cooperations
 - configurable documents within the bylaws
 - cooperative operating agreements within the bylaws
 - docs of declaration subject to tech utilities within the playbooks
 - manifesto subject to orientational circumstances within the playbooks
 - 'repositories' (implemented via AM4ideaHu) within the code-of-conduct
 - 'Curated Labour Activities' (CLA) within the code-of-conduct
 - an **operational pathway attached to 'Management areas' in order to:**
 - Adopting institutional legitimacy
 - docs of declaration subject to legal utilities within the playbooks
 - 'BluePaper' (implemented via AM4ideaHu) within the code-of-conduct
 - 'Co-De' as policyPaper within the code-of-conduct
 - _creating/managing an enabling environment
 - configurable documents within the bylaws
 - cooperative operating agreements within the bylaws
 - docs of declaration subject to legal utilities within the playbooks
 - manifesto subject to orientational circumstances within the playbooks
 - 'Co-De' as controlPaper within the code-of-conduct
